Audition Monologues

Pick one of these monologues for your audition. If there is not a monologue for your top character, pick your favorite one to perform.

Anna: No. No. No. You can't leave me locked in this cold room to die! Please! (sadly) I thought this was true love! Olaf?! How did you get in here? I was wrong about Hans. It wasn't love and now I don't even know what love is. (Realization) But Kristoff loves me. –
Olaf You're melting! Quick let's get you out of here.

Elsa: Anna! I'm so happy to see you... I never knew I could create something like this. No, you don't have to apologize. It wasn't your fault. You didn't know. Anna. I nearly killed you with my magic. You were six years old...and my powers are much stronger than they were.

You should probably go now, please I'm just trying to protect you!

Young Anna: They're gone! It's just us! Snowman. Snowman. Snowman!!! But the sky's awake, so I'm awake, so we have to play! It's time for some magic... But your magic is the most beautiful, wonderful, perfect-able thing in the whole wide world.

Young Elsa/Young Anna/Middle Elsa/Middle Anna: Yes, this is how it has to be. It's best for Anna. I'm doing everything you said. The gloves are helping. I've been hiding my powers... but I'm so afraid. They're getting stronger! Don't let it show! No. Don't touch me! I don't want to hurt you. (reciting her mantra) Conceal it. Don't feel it. Conceal it. Don't Feel it.

Hans: Oh, Anna If only there was someone out there who loved you. You two doomed each other, and made me the hero who just tried to help. Now once I tell everyone we're married and get rid of Elsa, I am King Hans of Arendelle. I know I'm no match for you... But I will get away with this...in fact I already have!

Kristoff: Sven, come on, it's not your fault that we're caught in a surprise, magical, summer blizzard, and no one will give us a room. Yeah, what do they have against reindeer? Hey, aren't you the Princess of Arendelle? The name's Kristoff, and I'm an ice harvester. I mean, a recently unemployed ice harvester. What are you doing out here?

Olaf: Anna, I picked the lock with my carrot nose. Turns out, it's cute and useful! So, where's Hans? What happened to your act of true love?. Love is putting someone else's needs before yours. Like how. Kristoff brought you back here to Hans and left you forever. Wow, you really don't know anything about love, do you?

Queen Iduna: Anna is hurt! We need the Hidden Folk of the mountains. They have healing powers! Elsa, wear these gloves. See if they help you keep it inside. But... We can't keep them separated. They're sisters. Only until we get more answers.

King Agnarr: She can learn to control it, I'm sure.
We'll close the gates, limit her contact with
people, and keep her powers hidden from everyone,
including Anna. Yes, we'll find our way
back to be a family again.

Weselton: Prince Hans, the temperature's dropping!
The Queen has cursed this land! Out
here, we'll be lucky to survive the night! I think Queen
Elsa means to hurt us. She is a
monster! And I bet Princess Anna is in on it, too.

are available on our website. You will not sing the entire
song, just a small section as outlined below.*

DO YOU WANT TO BUILD A SNOWMAN

Start vocal in the beginning
Do you want to build a snowman?
Come on, let's go and play!
I never see you anymore
Come out the door
It's like you've gone away
We used to be best buddies
And now we're not
I wish you would tell me why!
Do you want to build a snowman?
It doesn't have to be a snowman
(ELSA: Go away, Anna)
Okay, bye

FOR THE FIRST TIME IN FOREVER

Start Vocals at 1:12
Tonight, imagine me grown and all.
Fetchingly draped against a wall.
The picture of sophisticated grace.
I suddenly see him standing there,
A beautiful stranger, tall and rare.
I wanna stuff some choc'late in my face!
But then we laugh and talk all evening, which is totally
bizarre.
Nothing like the life I've lead so far.
For the first time in forever, there'll be magic, there'll
be fun.
For the first time in forever, I could be noticed by
someone.
And I know it is totally crazy to dream I'd find romance
But for the first time in forever,
At least I've got a chance!

LET IT GO

Start Vocals at 2:30
My power flurries through the air into the ground.
My soul is spiraling in frozen fractals all around.
And one thought crystalizes like an icy blast.
I'm never going back, the past is in the past!
Let it go! Let it go! And I'll rise like the break of dawn.
Let it go! Let it Go! That perfect girl is gone.
Here I stand in the light of day. Let the storm rage on!
The cold never bothered me anyway!

IN SUMMER

Start Vocals at Beginning of Song
(spoken): Nope. But sometimes I like to close my eyes
and imagine what it'd be like when summer does
come.
Bees'll buzz
Kids'll blow dandelion fuzz
And I'll be doing whatever
snow does in summer.
A drink in my hand,
my snow up against the burning sand,
Probably getting gorgeously tanned In summer.
I'll finally see a summer breeze
Blow away a winter storm
And find out what happens to solid water
when it gets warm.
And I can't wait to see
what my buddies all think of me.
Just imagine how much cooler I'll be
In summer!

LOVE IS AN OPEN DOOR

Start Vocals at :15
(spoken) I'm, thinking the same thing, because like...
I've been searching my whole life
to find my own place,
And maybe it's the party talking
or the choc'late fondue.
But with you I found my place
and it's nothing like I've ever known before
Love is an open door!
Love is an open door!
Love is an open door with you!
With you! With you!
Love is an open door!
